1. ☐ The amendment filed on 02 January 2005 under 37 CFR 1.312 has been considered, and has been:

- a) ☐ entered.
- b) ☐ entered as directed to matters of form not affecting the scope of the invention.
- c) ☐ disapproved because the amendment was filed after the payment of the issue fee.
Any amendment filed after the date the issue fee is paid must be accompanied by a petition under 37 CFR 1.313(c)(1) and the required fee to withdraw the application from issue.
- d) ☒ disapproved. See explanation below.
- e) ☐ entered in part. See explanation below.

The amendment has been disapproved for the following reasons.

1) *The amendment to the claims does not show a complete listing of the claims.*

2) *The current amendment filed 24 January 2005 does not correspond to the claims of 7 September 2004 and the Examiners Amendment mailed 18 November 2004. In the Amendment dated 7 September 2004, Applicants amended claims 14-16 to depend from claim 19 and canceled claim 26. However, in the 312 Amendment, filed 24 January 2005, the Applicants reverted claims 14-16 to depend from claim 26, and claim 26 has been canceled. Furthermore, the Applicant's did not show with the appropriate identifiers, that amendments were being made to the claims of 14-16.*

3) *In claim 21, it is unclear whether the 4 in the fourth line should have a strike through. Thus, the temperature reads 4549 °C. If the Applicants wish to strike the 4 from the temperature it is recommended to use the double brackets as an indication of removing the first 4 or to completely strike through the whole number and insert a new number in its entirety.*
